Dear Julia,

Thank you for your letter of 27 July, about Major Road Network (MRN) funding for the Gallows Corner scheme in your constituency of Hornchurch and Upminster.

It is very helpful to understand your support for this business case. Officials in the Department are currently considering a draft of the Outline Business Case, sent recently by Transport for London (TfL), so that they can address any issues before TfL submits it in final form. Once we receive the final version, officials will review it and take it through our assurance processes before putting advice to Ministers.

Thank you for taking the time to write to me to express your support for the scheme.

*Yours,  
Charlotte*
